## IBM Cloud services

The screenshot displays the IBM Cloud dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and the user's account ('praveena s's Account'). The main content area is titled 'Dashboard' and features a 'For you' section with five recommended actions: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Set up your IBM Cloud account' (Learn how to set up your IBM Cloud account, manage your account settings, organize resources, and control access to those resources), 'Build a virtual machine' (Lift and shift your VMware workloads to the IBM Cloud), 'Explore tutorials' (Try out a variety of tutorials to get you started with IBM Cloud or help you with more complex scenarios), and 'Use Watson Studio' (Watson Studio provides a suite of tools and a collaborative environment for data scientists, developers and domain experts). Each action card includes a 'Getting started' button and a duration (10 min, 7 min, 10 min, 2 min). The bottom of the dashboard shows a 'User access' section with links to 'Manage users', 'News', 'View all', and 'Planned maintenance'. The Windows taskbar at the bottom indicates the time as 03:40 on 05-11-2022.
