

# Smart Solutions For Railways

TEAM ID : PNT2022TMID40997

DATE : 16.11.2022

## SPRINT 3

The screenshot displays the Jira Software interface for a project named "smart solutions for railways". The top navigation bar includes "Your work", "Projects", "Filters", "Dashboards", "People", "Apps", and a "Create" button. A search bar is located on the right. The left sidebar shows the project's navigation menu with sections for "PLANNING" (Roadmap, Backlog, Board) and "DEVELOPMENT" (Code). The main content area is titled "Backlog" and shows a list of issues for "SSFR Sprint 3" (7 Nov - 12 Nov). The issues are: SSFR-14, SSFR-15, SSFR-16, and SSFR-17. Below the list is a "Create issue" button. To the right of the backlog is an "Insights" panel for "SSFR SPRINT 3" containing sections for "Sprint commitment" and "Issue type breakdown". The "Sprint commitment" section states: "Add estimates to plan sprints with more accuracy. This insight compares how much effort was allocated to a sprint against how much was completed, so you can plan sprints more effectively. [Learn more](#)". The "Issue type breakdown" section shows a bar chart for "Story". On the far right is a "Help" sidebar with a search bar and two articles: "Create issues in your team-managed backlog and start planning future work" and "Start a sprint from your backlog". The bottom of the sidebar contains links for "About Jira", "Term of use", and "Privacy policy".
